**PARENT OR GUARDIAN** Students under 18 are required to have a parent or guardian with them the day of the clinic.

**SPORTS PHYSICALS** Student athletes entering grades seven through 12 receive a WIAA sports physical by a medical provider. Physicals cost \$35 on these dates only, and payment is required on date of service.

If athletes are unable to attend on any of these dates or their insurance requires a different type of exam, athletes can schedule an appointment on another date at the regular physical exam rate.

**IMMUNIZATIONS** While getting a sports physical, students also can update these immunizations at an additional cost, which may be billed to insurance: chickenpox, HPV, meningococcal and Tdap.
